Yes everyone this is the easiest Nirvana song there is there are only two
chords which are played in the same riff throughout the whole song. NOt
only that but there is only one verse which is sung over and over again
so there isn't much lyric variety.

Intro/Verse/Chorus:

```

She'd take me anywhere
She'd take me anywhere
as long as she stayed with me

She said
She'd take me anywhere

As long as I stayed to be
