

oasis - My Big Mouth

Tab key:

=====

h = hammer on

p = pull off

b = bend (7b8 means bend the string at the 7th fret to make approximately

the note the string would make if played at the 8th fret with no bend)

r = release bend

s = slide (a quick slide, two notes sound like one)

= a slower slide (clearly sounds like two notes separated by a slide)

~ = hold note

! = where listed above tab shows where RIFF 1 starts over and is played

again
