pearl jam - Given To Fly

```
Given to Fly (Pearl Jam)     Strofa 1  riff1                    RIFF1 E----
----------7-----7-------------------------------------------------
    He could've tuned in,tuned in but he tuned out B----------------
--8----------8-----------------------------------------
 G-----------0----7---------------7----0----9---11---12----9---7----
----         A bad time nothing could save him RIFF2 D---------------
-------------------------------------------------------------
   A-------------------------------------------------------------
----------           Alone in a corridor waiting locked out  E--------
-------------------------------------------------------------
                     He outta up there run for hundred of miles
-0-0--2------------------------------------------------------ B----
-------------------------------------------------------------
------         Made it to the ocean,had a smoke in a tree G-----------
-------------------------------------------------------------
 D-------------------------------------------------------------
----------          The wind  rose up,set him down on his knee  A-----
-------------------------------------------------------------
---- E-------------------------------------------------------------
---------------                                    ACCORDI                    A
crashing like a fist to the jaw Strofa 2     Accordi
          Delivered him wings ''Hey look [at] me now''  E------------3-
---------------------2-----------0-------------------------------
   Arms wide open with the sea as his floor B------------3-----------
-----------3-----------3---------------------------- G------------0--
------------------2------------2---------------------------
   Oh,oh,ohoh D------------0---------------------0-------------0------
---------------------- A------------2-----------------------------------
------------------------------   E------------3-----------------------
-----------------------------------------                          He's
Flying...whole  x2                          Floated back down cause he wante
share Rit  ''He's  Flying...Whole....''                          The  key  to  t
locks on the chains he saw   E---------3----------g-----------3-------
-2--------0-------------3----------         Everywhere B---------5----
------r------------5-------4--------2-------------3---------- G------
---5---------a------------5-------4--------2--------------0---------
          First he was stripped then he was stabbed D---------5-------
---t------------5-------4--------2-------------0---------- A---------
3----------t------------3-------2--------0-------------2----------
      By faceless man well... fucking he still stands E----------3---
------a------------3-------2----------------------3----------    t
                          o                    And he still gives his love,h
just gives it away                        The love he receives is the love th
is save                        And sometimes is seen a strange spot in the sk
          A human being that was Given to fly
