Verse 1:

Icy wind of night be gone, this is not your domain
 In the sky a bird was heard to cry
 Misty morning whisperings and gentle stirring sounds
 Belied a deathly silence that lay all around

Chorus:

Hear the lark and harken to the barking of the dog-fox gone to ground
 See the splashing of the kingfisher flashing to the water
 And a river of green is sliding unseen beneath the trees
 Laughing as it passes through the endless summer making for the sea.

Verse 2:

In the lazy water meadow I lay me down
 All around me golden sun-flakes settle on the ground
 Basking in the sunshine of a bygone afternoon
 Bringing sounds of yesterday into this city room

Chorus

Solo/Instrumental

Repeat Verse 2
