In the Flesh(?)
 From Pink Floyd's "The Wall"

As I'm sure everyone who's heard the The Wall knows, the songs "In The Flesh" and "In The Flesh" are pretty similar, so this is the tab for both songs.

I'll point out the differences between the two, although they should be rather obvious.

Repeat that over the verse two more times, except on the third time, replace the last three measures with:

then repeat the measures between the percent signs in the intro, and end with:

```

|---2---2-2-2-2-2-2-|---2---|---2---|

```

This is my first attempt at doing one of these things, so keep that in mind.
