[the other stanzas are the same with the following lyrics. Add variations to my dull, fingerpicking arrangement: please!]

Every night I turn the light out
 Waiting for the velvet bride
 Will the scaly armadillo
 Find me where I'm hiding?
 Julia dream, dreamboat queen, queen of all my dreams

interlude: (I think: these, I am sure are the chords, although they might be in a different order. I do not think I still have a copy of the song so I cannot check)

G D F A7
 G A7 D D

Will the misty master break me?

Will the key unlock my mind?
Will the following footsteps catch me?
Am I really dying?
Julia dream, dreamboat queen, queen of all my dreams
