 Subject: Rolling Stones - If You Can't Rock Me

From ujhennin[at]uxa.ecn.bgu.edu

Subject: Try this out please

Steve,

Here's a tab I'd like you try out. It's the riff in the middle of `If

You Can't Rock Me'. The song is in open G. Let me know if the tab works for you. This is a really cool riff to know. I sprinkle parts of

this around liberally through a lot of songs.

```

& 1 & 2 & 3 & 4 & 1 & 2 & 3 & 4
D -----5-----5-----
--
B -3--4--0--5-----3-----3-----
G -4--5--0--5-----0-----
--
D -----2--3--0-----
--
G -----3--4-----
--
D -----

```

---

--

I want to work the whole song out when I get a chance but this riff  
\*really\* is the best part of the song. Hopefully my editor doesn't  
do  
more weird changes to what I really wrote as I save this letter.

-Jim

It did. Well I changed it again hopefully it stays this time.

Hey!! Edit #3 and it seems to be holding
