

white zombie - Planet Motherfucker

From: stevem[at]imap1.asu.edu

Since there have been a recent number of requests for White Zombie, I figured that I would post a few songs. This is the first tune off of their album, "La Sexorcisto", and jams pretty hard core. If you have any questions, comments, or suggestions, please send them to stevem[at]imap1.asu.edu. Thanks!

P.M.

The next part to be played is a re-intro to the song and is just a flanged F# note on the low E string played similar to the pattern above

After playing through some more verse and chorus sections, the song breaks down to the second half (called Psycholic Slag, if I am not mistaken). Anyway, play as follows.

```

Note: The "." indicates palm-muted notes

Second Verse Ending Notes

Continue the remaining portions of the song with the above parts.
