

yankovic weird al - Smells Like Nirvana

PROPS GO TO: Espen Eikebo

Tabbed by: Espen Eikebo and Frank Kool

This song sure is funny, even though he's making fun of Nirvana. There are some holes in the lyrics, and I am not 100% sure about the rest, but just listen to the song, and you'll figure it out.

Chords are just like Smells like teenspirit:

INTRO:

```

G |----1----4-----|
D |-1--1--4--4-----|
A |-1--3--4--6-----|
E |-3-----6-----|

The strings that aren't noted should be muted.

LYRICS:

What is this song, all about?
 Can't figure any lyric out
 How do the words do go
 I wish you'd tell, I don't know

Don't know, don't know, don't know, oh no
 Don't know, don't know, don't know, oh no

Now I'm mumbling, and I'm screaming
 And I don't know, what I'm singing
 Crankle volume, near the bleeding
 As they don't know, what I'm singin
 Whith the loud out, single herand
 (???), bugger parents, yeah!

This song intends to lead you all
 If just, I'd get it through my skull
 It's hard to barf with *MUMBLES*
 With all these marbles in my mouth

Don't know, don't know, don't know, oh no
Don't know, don't know, don't know, oh no

Well we don't sell, like Madonna
Here we are now, whe're Nirvana
Sing distincly: 'Whe don't wanna'
Buy our album, whe're Nirvana
A garage-band, from Seattle
???

GARGLES THE SOLO WHITH WATER

And I forgot the next verse
So well, I guess it pays to rehearse
The lyrics sheets, so hard to find
What are the words, aw, Nevermind

Don't know, don't know, don't know, oh no
Don't know, don't know, don't know, oh no

Well I'm getting, and whe're playing
But I don't know, what I'm singing
What's the message, that I'm conveing?
Can you tell me, what I'm singing?

So if you've got, salmonia
Didn't think so, well I'll see ya'

Sayonara, sayonara, sayonara, sayonara!
